

# THE BIODIVERSITY ECONOMY

## BUILDING BUSINESS FROM BIODIVERSITY

THE BIODIVERSITY ECONOMY INCLUDES THE BIOPROSPECTING ECONOMY AND THE WILDLIFE ECONOMY.

### THE BIOPROSPECTING ECONOMY

MANY SOUTH AFRICAN PLANTS AND ANIMALS HAVE USEFUL PROPERTIES.

BIOPROSPECTING IS WHEN SOMEONE RESEARCHES THESE PROPERTIES OR CREATES PRODUCTS FROM THEM TO SELL.

THERE ARE MANY OPPORTUNITIES TO USE OUR UNIQUE BIODIVERSITY TO MAKE A LIVING AND BENEFIT YOUR COMMUNITY.

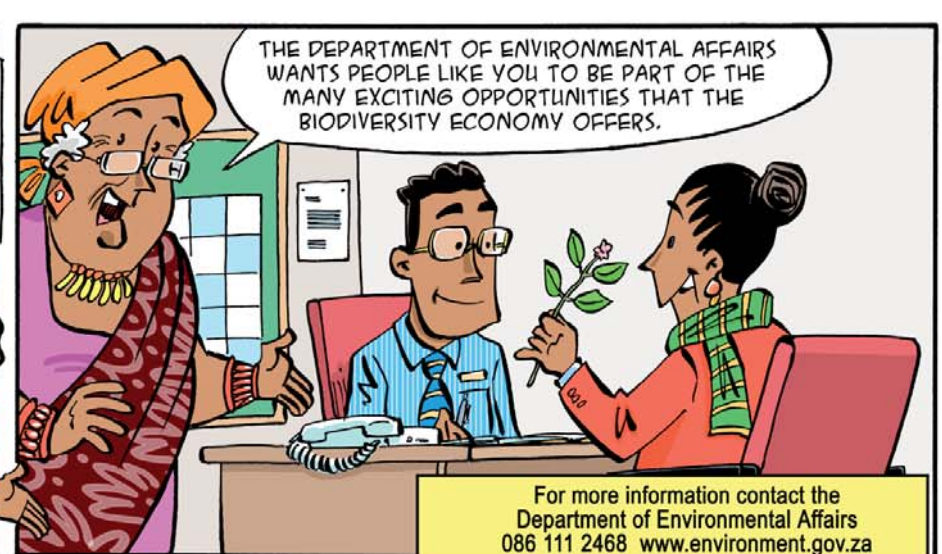

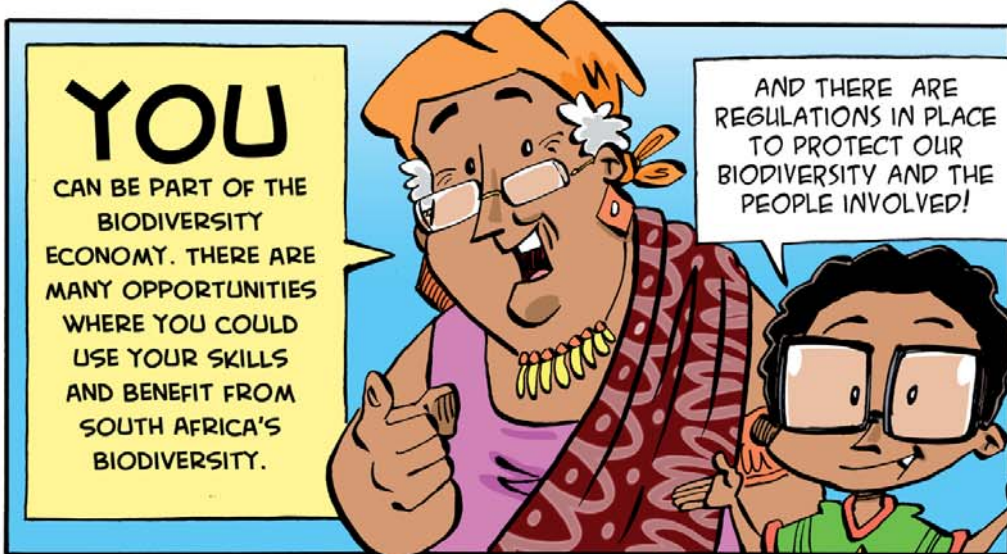

### THE WILDLIFE ECONOMY

THERE ARE OTHER WAYS TOO THAT OUR AMAZING WILDLIFE CAN BE USED TO BENEFIT SOUTH AFRICANS.

HERE ARE JUST SOME EXAMPLES.

**ACTIVITIES THAT PROTECT OUR WILDLIFE**

- GAME RANCHING
- HUNTING
- ECOTOURISM
- WILDLIFE PRODUCTS
- ANTI-POACHING
- ENVIRONMENTAL MONITORING
